

CHC30121 **Certificate III in Early Childhood Education and Care**

New Futures Training provides nationally accredited vocational training and employment support for people from migrant, refugee and asylum seeker background.

As a **not-for-profit**, community organisation we are committed to creating opportunities for diverse communities. Our courses are industry focused, language supported and affordable. Our trainers come from diverse backgrounds with extensive industry experience.

Course overview

The children's services sector is one of the most fulfilling career paths you can choose. As an early childhood educator, you will be sought after by employers, and have the chance to change the lives of the children you care for. From working in a childcare centre to running your own Family Day Care, there will always be a job opportunity available to you.

This course studies how to plan activities and provide care for infants, preschoolers and primary-school-aged children with appropriate use of policies and procedures within a range of early childhood education settings. You will attend class two days a week. You will be assessed on your practical skills in our Early Learning Centres. This assessment may count towards your placement hours.

Outcomes

This qualification can lead you to job roles such as:

- Early childhood educator
- Family day care educator
- Outside school hours assistant
