

HLT33115 **Certificate III Health Services Assistance**

New Futures Training provides nationally accredited vocational training and employment support for people from migrant, refugee and asylum seeker background.

As a **not-for-profit**, community organisation we are committed to creating opportunities for diverse communities. Our courses are industry focused, language supported and affordable. Our trainers come from diverse backgrounds with extensive industry experience.

Course overview

This entry-level course gives you the skills and hands-on experience required to work in support roles within the health industry. You will learn to work with patients and consumers under the supervision of professional health staff.

When you complete this course, you will be able to work in health care facilities including hospitals and residential facilities.

Jobs in the health care sector are expected to grow strongly over the next five years, with a growing need for support workers. Through our extensive industry connections, we work closely with employers to identify job opportunities and prepare our students for them.

Course Outcomes

This qualification can lead you to job roles such as:

- Patient Service Assistant (PSA)
- Ward Assistant
- Kitchen Assistant
- Environmental Services (Cleaning)
- Laundry Assistant
- Orderly

After completing this course student could work in aged care facilities, hospitals, clinics, private medical practices and home and community care services.

Delivery mode

- Classroom based
- Flexible
- Blended

Duration

- Classroom based - approximately from 40-58 weeks (including holidays)
- Flexible - approximately 30-36 weeks (including holidays)
- Blended - approximately from 30-58 weeks (including holidays)

Placement

You will need to complete a **minimum 80 hours** of placement. Practical placement is organised by New Futures Training.

Why study with us?

New Futures Training is committed to delivering flexible training programs that cater to the cultural, employment, language and personal needs of our students.
