

CHC50121 Diploma of Early Childhood Education and Care

New Futures Training provides nationally-accredited vocational training and employment support for people from migrant, refugee and asylum seeker backgrounds.

As a not-for-profit, community organisation we are committed to creating opportunities for diverse communities. Our courses are industry focused, language supported and affordable. Our trainers come from diverse backgrounds with extensive industry experience.

Course overview

Advance your career in the early childhood sector by up-skilling with a diploma.

A Diploma-educated early childhood educator is responsible for planning, implementing, and managing programs. Graduates of this program will be qualified to work at a senior level in a variety of roles, which may include designing and developing the curriculum and supervising staff. Throughout the course you will learn how to:

- Use a national learning framework, regulations and quality standards to support the education and care of children from birth to school age;
- Plan for children with additional needs;
- Network and communicate effectively;
- Develop and maintain family partnerships;
- Ensure health and safety standards are met.

This course is based on the National Quality Framework and the Early Years Framework, and has an emphasis on play-based learning.

Outcomes

This qualification can lead you to job roles such as:

- Children's services coordinator
- Family Day Care Co-ordinator
- Team Leader or Room Leader
- Assistant Director of Early Childhood Services
